ABOUT SRIHER

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) a Centre of Excellence on Medical and Health Sciences Education, Research & healthcare established in the year 1985 is currently ranked among the top health sciences universities in India. SRIHER has been recognized as category I status by University Grants commission, MHRD. The National Assessment and Accreditation Council has reaccredited (Cycle-3) SRIHER in 2021 with A ++ Grade with a CGPA of 3.53 on a 4-point scale. SRIHER has achieved the distinction of being placed at the 47th rank among all Universities in India by the MHRD NIRF Ranking 2021. The multifaceted Deemed to be University consists of twelve faculties & offers 152 teaching and research programs in total. Currently 53 Choice Based Credit System programs (CBCS) are offered by the institution.

ABOUT SRFMS

Sri Ramachandra Faculty of Management Sciences (SRFMS) established in the year 2001, is one of the leading management hubs in India offering very unique programs in the field of Hospital & Health Systems Management. SRFMS is rated as one of the best B-schools in the State by Business Standard B-School Survey, 2018-2020. Positioned in the “Platinum Category” by AICTE-CII Industry-Institute Survey since 2019.

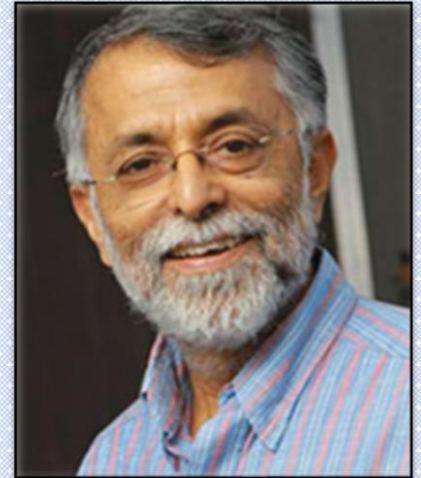

Message from Director

Dear Recruiter,

Greetings from Sri Ramachandra Faculty of Management Science [SRFMS]!

Since its inception in 2001, SRFMS provides industry-ready professional to health care ecosystem.

Post-Covid pandemic, healthcare industry has devoted significant effort in innovation and scaling. At SRFMS, we embraced interdisciplinary approach to healthcare management education that equips our MBAs with multiple perspectives – medicine, public health, emergent technologies, hospitality, and design thinking. The MBA participants, as summer interns, worked with health technology startups as well as hospitals in consulting and problem-solving assignments aimed at improving healthcare outcomes. SRFMS facilitates a holistic development of healthcare managers.

I invite our recruiters to witness and experience diverse talents that are available at SRFMS.

I avail this opportune moment to express our gratitude to captains of industry for leading the nation to newer peaks of excellence in healthcare service and outcome.

Best Regards,

KC John, Ph.D. [IIMA]

Message from Principal

Dear Recruiters,

I am pleased to convey that a batch of highly talented young men and women of Sri Ramachandra Faculty of Management Sciences (SRFMS) is ready to take up the greater responsibilities of the healthcare. Academic rigor, intensive students' development activities, exposure to the practice through hands-on posting, summer internship and dissertation, comprehensive and continuous assessment and outreach extension commitment to society is a regular feature in SRFMS which offers the students an outstanding learning experience fuelled to their professional development. The reputed faculty members from IIMA, SP Jain, XIME and their delivery through the cases as a major methodology are of great strength to our teaching and learning process whereby the graduates become very decisive and dynamic in discharging their tasks. Our Alumni who work in various hospitals and health system organizations have proved their calibre and mettle that vouches for our students being on the right track befitting to the demands of the current environment. SRFMS treats every student as unique paying individual attention to grooming their personality and hone their skills. At SRFMS, Students are assigned to mentors who give personalized attention to understand the problems faced by students and offer suggestions to resolve them. University has a Central Placement Cell, headed by Placement Officer and a senior faculty member as its advisor. We look forward to nurture and grow old relationships and welcome new recruiters for a long-lasting and mutually beneficial relationship. Looking forward to meeting you at our Campus!

Thanking you.

Best regards,

Selvam Jesiah, PhD

Message from Deputy Director of Placement

Greetings from SRI Ramachandra!

We have a diverse group of highly determined and creative students possessing suitable qualifications, who have been picked through a calibrated and rigorous admission procedure and are thus well-equipped for industry absorption. SRFMS's core objective is to educate and train students to meet the industry standards and demands. On the pedagogical front, students absorb learning through live projects, industrial training, guest lectures, and real-life case studies. The fraternity of resourceful faculty members also uses a planned methodology to inspire leadership traits and soft skills. We are cognizant that institution success arises from the joint endeavours of our talented students, dedicated faculty, successful alumni, and the continued confidence of recruiters in the knowledge and skills of SRFMS graduates. This brochure will help you to understand more about our SRFMS flagship MBA programme. Please also consider this an invitation to interact with our diverse and talented student community.

We invite you to this exciting journey and are delighted to welcome you on board for our campus engagement process.

Mr.V.Sundaravadivel
Deputy Director, Placements

Message from Placement Coordinators

We are delighted to share our thoughts for MBA (2021 – 2023) Placement Brochure as Placement Coordinators. The batch has fine profiles of students coming from multiple backgrounds – medicine, health science, engineering and commerce consisting of experienced professionals and freshers. The Batch is the first to explore summer internship opportunities in new age healthtech companies and start-ups going beyond traditional hospital internships. The Batch has created a niche placement brochure with LinkedIn IDs of each candidate for easy and quick access to profiles and we are sure recruiters would highly welcome this noval idea. We are hopeful of placing this talent bunch in exciting opportunities as we roll out the brochure to potential recruiters!

certification course

HANDS-ON POSTINGS

HOP-1 – CLINICAL POSTINGS

Various departments in clinical part of the hospital were observed and many problems were identified in various aspects of the department. The posting improved the practical knowledge of the students in crisis management and on spot decision making aspect.

HOP 2- NON-CLINICAL POSTINGS

The supporting departments that require the smooth functioning of the hospital were observed and the major functioning of the same were noted. Major skills like decision making, analysing the same, inventory management and stock management were observed and see how they were involved in smooth functioning of hospital.

Sri Ramachandra Hospital (SRH) is a tertiary care centre for imparting training and education to over 6000 students along with Research and nurturing excellence in patient care. This includes students from undergraduate and postgraduate medical courses, nursing, occupational therapy, clinical nutrition, allied health sciences, speech and hearing, physiotherapy, optometry, hospital and healthcare management and several other paramedical and allied health sciences.

Sri Ramachandra Medical Center (SRMC) is a quaternary care multi-specialty hospital. The Medical Center was started as a teaching hospital of Sri Ramachandra Medical College and Research Institute in 1985, with the intention of translating the experience and expertise in medical education into tangible and affordable health care to the community. The hospital has the best physicians, surgeons and health care providers across all medical/surgical specialties and subspecialties. They are the first and only hospital affiliated to the medical university in India that has the privilege JCI, NABH, NABL and AABB accreditations. This highlights their quest for quality healthcare delivery and continuous quality improvement. The hospital facility with 800 beds provides healthcare treatment for over 35,000 inpatients and 2,50,000 outpatients every year.

ISABS (Indian Society for Applied Behavioural Science)

Indian Society for Applied Behavioural Science (ISABS) is a national, non-profit voluntary society of behavioural scientists engaged in applying their knowledge and skill to the wellbeing of persons, organisations, communities and the society at large.

SRFMS organized a week-long workshop for the MBA students who were divided into groups and behaviour analysis was done through observation and creating a different external environment to have a better result of the students and to improve their professional and personal attitude and behaviour.

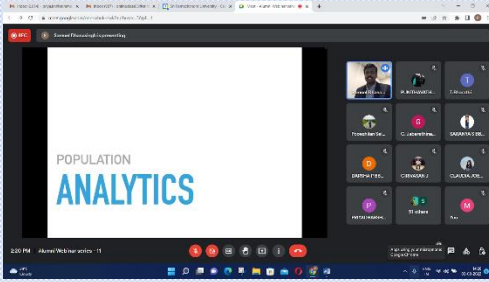

ETHOZ '22 (YUDDHNAV) – AN INTERCOLLEGIATE MANAGEMENT FEST

ALUMNI TALK

Excellent MBA program which is very complete and efficient with best group of faculties members. The programme outcomes will definitely help graduates in tackling real time managerial issues. The best and unique part of this program is the three different specializations that are being offered i.e.

Health care Quality/Finance/Human Resource. The Hands-on postings that students experience inside the campus also acts as the biggest value add of this course. Provided exclusive facilities and classroom, Library, Professional and experienced staffs, strategic course curriculum results in a strong managerial foundation.

- Harini S. (2020-2022)

I am here to express my gratefulness with my heart full of happiness. I am feeling extremely grateful for the placement opportunity given by our Institution. I have undergone hospital internships and postings where I gained hands on training exposure. It gave me a real time work experience. It improved my skills and enhanced knowledge in the field. I am thankful to each and every one who supported me throughout this journey.

-Dr. Gnana Sangeeth Raj E. (2020-2022)

I had the opportunity to be a member of Student Development Club and Placement Coordinator for my Batch 2020-2022. I consider SRFMS as the sole contributor for my personal and professional growth. I learnt leadership, Team Management and majorly Time Management skills also been able to hone these skills to

a whole new level during my MBA program. The University attracts talents from varied educational background which helped me to learn about their field of study. The faculty members here make the institution what it is today with a ready to help attitude. My special thanks to Dr John – The Director, Dr Selvam Jesiah – The Principal and all my faculty members for nurturing my MBA journey with real life instances and Case Study approach to teaching.

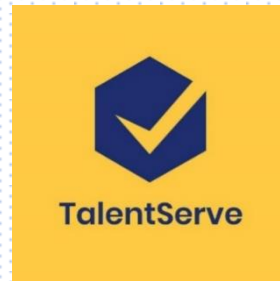

- Megasri (2020 – 2022)

First and foremost, I am honored to have graduated from SRFMS's MBA [Hospital and Health Systems Management] programme! My experience with the MBA programme been nothing less than remarkable, allowing me to grow both personally and professionally. Here, I was able to learn the fundamental business and management skills required to think critically and act prudently. More importantly, I consider myself fortunate to have been surrounded by such knowledgeable, diverse faculty with years of experience who supported us! This programme introduced me to many brilliant and ambitious people in the healthcare field, not only through textbooks and lectures, but also through guest speakers, workshops, mentorships, placement and networking. Thanks to this program, I not only have a network of great contacts, but a group of great friends as well.
